Dear Lord, thank you for getting me up this morning to greet another day and live for You. You make my life truly good. I know that there are a thousand different things that can go wrong today, but I choose to focus on Your goodness. I pray that You will help me have a good day today, despite my changing circumstances. Give me the wisdom and discernment to know how I can help someone or reach out to someone who is hurting. Help me be a good part of someone else's day, and encourage me to think of others before myself. And at the end of this day, remind me to thank You for every blessing You have given me. May I always take delight in every small or large blessing from You God. Amen.

HOLY COMMUNION

We are resuming the use of wine at the 11am Holy Communion. If anyone would like to be on the chalice rota to assist in the giving of wine, please see the Vicar.
